**UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEVADA**  
**UNITED STATES V. GREGORY LEE TURPIN, 2:19CR00046**

---

**SUMMARY IN SUPPORT OF PETITION FOR WARRANT**

---

**June 2, 2022**

---

By way of case history, Turpin was sentenced to 30 months imprisonment followed by a three (3) year term of supervised release for committing the offense of Felon in Possession of a Firearm. On July 16, 2021, Turpin commenced supervision. After only a month on supervision, Turpin absconded from the Residential Reentry Center, used methamphetamine, violated location monitoring requirements on multiple occasions, missed drug tests, and failed to follow simple instruction from the probation office. On September 27, 2021, Turpin's supervised released was revoked. He was sentenced to six (6) months imprisonment followed by an 18 month term of supervised released. On February 18, 2022, Turpin commenced a second term of supervised release.

At the onset of this term of supervision, Turpin appeared to be motivated to do well. He was very communicative with the undersigned officer. He was initially reporting for drug tests, testing negative, and participating in treatment. However, after a little over a month, Turpin began to struggle with compliance yet again related to drug use and drug testing.

Turpin has tested positive for methamphetamine on the following three dates: March 29, 2022, April 26, 2022, and May 19, 2022. All tests have been confirmed positive by the Abbott Laboratory and Turpin has admitted to such use.

On May 16, 2022, Turpin failed to attend his moral reconnection therapy (MRT) session. On May 17, 2022, the undersigned officer contacted Turpin to address why he missed the session. He stated that he did not have transportation. The undersigned officer verbally admonished Turpin for missing his class and informed him that was not a valid excuse because he knows that he has class every Monday evening.

On May 27, 2022, Supervisory United States Probation Officer (SUSPO) Todd Fredlund spoke with Turpin telephonically. Turpin admitted that he used methamphetamine either the day of or the day before his positive test on May 19, 2022. Turpin stated it was his third positive test since commencing supervision. SUSPO Fredlund discussed Turpin needing a higher level of treatment and that the undersigned officer would be in contact with him early next week to schedule an office visit do discuss this matter since he is unable to maintain abstinence. Following the call, SUSPO Fredlund sent a text to Turpin advising he is to test today at TOMO. Turpin acknowledged "Yes sir...". Turpin failed to report to drug testing.

On May 28, 2022, Turpin failed to report to drug testing again.

Rev. March 2017

On May 31, 2022, the undersigned officer attempted to contact Turpin; however, his phone was going straight to voicemail. The undersigned officer left him a voicemail and followed up with a text message instructing him to contact the undersigned officer.

On June 2, 2022, the undersigned officer attempted to contact Turpin again; however, was unsuccessful. As of the writing of this report, Turpin has not contacted the undersigned officer.

Once again, Turpin has demonstrated he cannot abide by the conditions set forth by this Court. He has only been under supervision a little over three months and is already in violation status. With his ongoing methamphetamine use, Turpin is believed to be a risk to the community. Additionally, the undersigned officer is unaware of Turpin's whereabouts as he has stopped communicating with Probation Office. As such, we respectfully request a warrant be issued to initiate revocation proceedings. It is further requested Turpin remain detained pending his revocation hearing before this Court.

Respectfully submitted,
